

NOTICE OF MOTION

The following Notice of motion has been submitted in accordance with Procedure Rule 10 by Councillor A. Kriss.

Residents' Funerals

The Council is obliged in law to provide public burials for residents who die having no known relatives. This work is undertaken by our team at Worcestershire Regulatory Services. Whilst there are often neighbours and occasionally friends who wish to attend to pay their last respects to the deceased, there are times where our officer is the only person present.

This Council recognises the contribution that all such individuals have made to life in our district and resolves to request that officers make relevant ward councillors aware of any public burial where it appears likely that no mourners may be present in order that someone can pay last respects on behalf of the community.
