

Catshill North	2200	2201		CAN	Catshill & North Marlbrook	Woodrow	Woodvale	Catshill Village Hall			Move to Catshill Methodist Church Hall	Electoral Officers			There is little difference in location and entrance to village hall is difficult so would support move to Catshill Methodist Church Hall providing CAS moves to Catshill Social Club
Catshill South	2224	2222		CAS	Catshill & North Marlbrook	Barley Meadow	Woodvale	Catshill Methodist Church Hall			Could Catshill North and South be at both polling stations as residents have to go past Catshill Village Hall to get to the Church Hall. Move to Catshill Social Club as in Polling District and looks to have better access	BD7 05/08 Councillor Electoral Officers		Catshill Social Club suitable for polling station. Could accommodate 2 polling stations. Suggest Move CAS to Catshill Social Club and Move CAN to Catshill Methodist Church. If approved would require permission from Catshill Social Club Committee	Catshill Social Club is within the polling district and would stop the confusion mentioned by the Councillor. The move is supported.
