Areas Identified at the Work Programme Planning Event held on 5th June 2019 and to be scheduled in to meetings on an as and when basis

Potential Task Groups

- Public Transport / Bus Routes / Community Transport - Members agreed that this subject should be reviewed by a Task Group. The review could focus on public transport provision in rural areas and would require Members to consult with both the bus companies, Worcestershire County Council and BURT.
- Affordable and Social Housing Task Group - This review could focus on the accommodation provided by social housing organisations, planning enforcement and housing development controls and the impact of planning on the green belt.
- WCC LPT4 – It was agreed at the O & S meeting on 2nd September 2019, that this would not be considered by the Strategic Planning Steering Group. Councillor Colella had made the proposal and he had felt that it merited having a Task Group and that it would be positive for newly elected Members to be involved in this Task Group.

Potential Items for Board discussion

- Protecting Local Shops – Members concluded that this was not a suitable subject for scrutiny as stated. However, Members agreed that the relevant Portfolio holder and the Town Centres Manager could be invited to attend a meeting of the Overview and Scrutiny Board to answer questions about town centre economic development. Members agreed that the focus should be on how to increase footfall in the town centres.
- Removal of Early Morning Bus Passes - Members expressed concerns that early morning bus passes had been removed impacting on those travelling to work. Members noted that that there was an ongoing review of public transport and consultation was being held over the summer of 2019. Members concluded that they could revisit the subject of bus passes after this consultation has been completed.
- Town Centre Congestion - A review of this subject should take into account planning enforcement.
- Speeding – The Overview and Scrutiny Board to call in representatives of the Safer Roads Partnership to discuss issues with speeding.

Previous Task Groups to be revisited

- Pavement Parking – The Overview and Scrutiny Board to receive an update on the recommendations arising from previous reviews of car parking.
- Anti-Social Behaviour and CCTV – the Overview and Scrutiny Board to receive an update on the recommendations arising from the previous review of CCTV.
- Air quality – The Overview and Scrutiny Board to receive an update on the recommendations arising from the previous review of air quality.
- Homelessness - The Overview and Scrutiny Board could revisit recommendations made by a previous Task Group on this subject.

Outstanding Items and Potential Items for pre-scrutiny

- Demonstration of modern.gov on an iPad together with data regarding paperless agendas.
- Worcestershire Health Overview & Scrutiny Committee (HOSC) – To investigate whether HOSC is fit for purpose (possibly invite the Chairman of HOSC to a future meeting.)
- Bromsgrove Market Update – following presentation at the June 2019 meeting, it was agreed that a further update would be received in 12 months' time - schedule in for meeting in June 2020
