Appendix A – Summary of Discretionary Scheme

Introduction

1. In response to the Coronavirus outbreak the Government announced that there would be support for small businesses and businesses within the retail, hospitality and leisure sectors that provide services to visiting members of the public.
2. The support took the form of two grant funding schemes the Small Business Grant Fund (SBGF) and the Retail, Hospitality and Leisure Grant Fund (RHLGF). The purpose of the grants is to support businesses to pay their fixed property costs.
3. On 2nd May 2020 the Government identified that a number of business were excluded for the schemes and announced that additional funding would be provided for local authorities to develop their own discretionary grant funding schemes. This document provides guidance on the operation of this discretionary fund within the Bromsgrove District.

How much funding is available for the discretionary scheme?

4. The Government has announced that an additional 5% uplift would be made to the £12.33 billion funding that was available for the SBGF and RHLGF. The uplift will be calculated based on the anticipated expenditure at 3rd May 2020. The amount will be available for Bromsgrove District Council is £1,013,500.
5. The costs of the discretionary scheme operated by Bromsgrove District Council are not permitted to exceed the available funding.

How will the scheme operate?

6. The Government has determined that local authorities should prioritise support to:
 - a. Businesses in shared offices which do not have their own assessment in the non-domestic rating list.
 - b. Charities occupying small business properties with a rateable value of less than £15,000 who do not qualify for RHLGF and are excluded from claiming small business rate relief, or rural rate relief as a result of their entitlement to charitable rate relief.
 - c. Market Traders, who have fixed building costs, but who do not have their own business rates assessments
 - d. Small Bed and Breakfasts which are not subject to business rates.

For the operation of the discretionary scheme these businesses will be referred to as priority one businesses.

7. Local authorities are able to identify their own priority business which may receive funding from the discretionary scheme.

8. Bromsgrove Council has identified that businesses within the events and exhibitions sector; and businesses with the travel and leisure sector that do not provide services to visiting members of the public have been severely affected by the Covid-19 pandemic and are not eligible for support under the existing grant schemes. It is anticipated that they will remain impacted by restrictions on social gatherings for some time and therefore businesses in these sectors will, alongside the Government's priority lists, be given preference for support. For the purposes of Bromsgrove's discretionary scheme these businesses will be referred to as priority two businesses.
9. Pubs, Gyms and Children's activity centres remain closed as a result of the coronavirus restrictions. These businesses, where they have an RB of over £51,000 were ineligible for the retail, leisure and hospitality grant. Bromsgrove District Council will consider support to these businesses and they will be referred to as priority three businesses.
10. Bromsgrove District Council's scheme will open for applications from XXX and will close for applications on XXX, the application period. *(TBC once software in place)*
11. At the end of the application period all claims for grant will be assessed. Awards of relief will be made first to businesses in the priority one group, and then if sufficient funding remains the priority two group. When all claims from the first two groups have been determined businesses in the priority three group will be awarded grants. If any monies are available grants for other businesses will then be considered.
12. Where insufficient funds are available to provide support to all businesses within a priority group, or when all priority groups have been awarded and awards are considered for other businesses then grants will be made based on an assessment of:
 - a. The loss in income the business has suffered due to the Coronavirus outbreak;
 - b. The level of property related costs that the business has; and
