#### PERFORMANCE MANAGEMENT BOARD

#### **IMPROVEMENT PLAN EXCEPTION REPORT [JANUARY 2009]**

Responsible Portfolio Holder	Councillor Mike Webb Portfolio Holder for Customer Care and Service
Responsible Officer	Hugh Bennett Assistant Chief Executive

#### 1. <u>SUMMARY</u>

1.1 To ask the Board to consider the Improvement Plan Exception Report for January 2009 (Appendix 1).

#### 2. <u>RECOMMENDATION</u>

- 2.1 That the Board considers and approves the revisions to the Improvement Plan Exception Report attached as Appendix 1, and the corrective action being taken.
- 2.2 That the Board notes that for the 110 actions highlighted for January within the plan 86.4 percent of the Improvement Plan is on target [green], 3.6% percent is one month behind [amber] and 0 percent is over one month behind [red]. 10 percent of actions have been reprogrammed with approval. [NB reprogrammed actions are those that have been suspended completely and those that have been moved to a later point in the year. Extended actions are listed separately are actions that are anticipated to take longer than had originally been programmed]. The increase since last month reflects the re-programming of the town centre actions (as a result of Parkside), the re-programming of the train station (as a result of the updated situation regarding its funding) and the customer access strategy.
- 2.3 This month's performance is shown on the first page of Appendix 1.

\* NB. Reprogrammed actions are both those that have been suspended completely and those that have been moved to a later point in the year. They are not actions that have been extended and they do not appear on the exception report.

Out of the total of 112 actions for January 2009, 4 actions have been extended with approval. This amounts to 3.6 percent of the original actions scheduled for this month. Extended actions are shown with hatched marking and extend the timescale of a current or ongoing action on the Improvement Plan.
