1. SUMMARY

- 1.1 To ask Cabinet to consider the Improvement Plan Exception Report for January 2009 (Appendix 1).

2. RECOMMENDATION

- 2.1 That Cabinet considers and approves the revisions to the Improvement Plan Exception Report attached as Appendix 1, and the corrective action being taken.
- 2.2 That Cabinet notes that for the 110 actions highlighted for January within the plan 86.4 percent of the Improvement Plan is on target [green], 3.6% percent is one month behind [amber] and 0 percent is over one month behind [red]. 10 percent of actions have been reprogrammed with approval. [NB reprogrammed actions are those that have been suspended completely and those that have been moved to a later point in the year. Extended actions are listed separately are actions that are anticipated to take longer than had originally been programmed]. The increase since last month reflects the re-programming of the town centre actions (as a result of Parkside), the re-programming of the train station (as a result of the updated situation regarding its funding) and the customer access strategy.
