### **1. Criteria For Member Involvement In Pre-Application Planning Discussions**

On sites where the following criteria apply, Members of Bromsgrove District Council will be invited to be involved in pre-application discussions with Planning Officers:

Criteria for the site:

- 1) Major application;  
RESIDENTIAL (i.e. 10 dwellings or more, or ½ a hectare or more)  
or  
NON RESIDENTIAL DEVELOPMENT (i.e. 1000 square metres or more of new floor space, or 1 hectare or more) or
- 2) Site allocated within adopted Local Plan as an ADR
- 3) Site allocated in emerging Core Strategy as a Development Site
- 4) Site known to be controversial (to Head of Planning & Regeneration or Development Control Manager) by virtue of its planning history or the nature of the development now proposed,  
or

- 6) As directed by Head of Planning & Regeneration or Development Control Manager; or
- 7) At the request of a Member, such request to be made in writing to Head of Planning & Regeneration or Development Control Manager, and to include reasons.

*In general, where proposals fall below the thresholds noted above, Members will not be invited to participate in pre-application discussions.*

Criteria for Members

Members will be notified by email with an associated link to the relevant documentation and invited to participate in discussions:

- Where any of the criteria above apply, all of the ward Members for the ward in which the site lies will be notified.
- Where criteria 1, 2 or 3 apply, the Leader of the Council and the Portfolio Holder for Planning, Core Strategy and Regulatory Services will also be notified.
- Where criteria 7 applies, the Members' request should include any specific Members who they would like to be involved in discussions.

The aim is for the pre-application process is to be inclusive and encourage participation by members from wards that are affected. If the site abuts a ward boundary, or if the site encompasses more than one ward, all ward Members for the adjacent ward/s shall also be notified and invited to participate in discussions. Abuts is defined as where the red line of the application site, as drawn on the submission, touches another ward boundary.

## **2. Protocol For Member Engagement In Pre-Application Discussions**

Either:

Officers receive pre-application enquiry and identify need for Member involvement (using criteria in Section One)

Or:

Members are approached and pass on enquiry to Development Control Manager. If they specifically wish to be involved in discussions, or wish other Members to be involved, this should be raised with the DC Manager at this stage

Then:

1. Development Control Manager allocates enquiry to an appropriate Case Officer (CO).
2. CO validates pre-application submission and identifies and notifies all those who need to be involved in the discussion, having regard to criteria set out in section 1 above.
3. CO carries out site visit (it is recommended that Members to be involved in discussions also carry out a site visit. This should be co-coordinated with the case officer where ever possible).
4. CO arranges meeting between all relevant parties and invites the ward member(s) and the Leader/ Portfolio Holder for Planning (if applicable).
5. CO chairs and records meeting, as well as coordinating relevant correspondence, responses, consultations etc.

6. Discussions continue, possibly supported by additional meetings, until the developer is advised that it seems appropriate for a planning application to be submitted

### **3. Guidance To Members On Conduct**

#### **Transparency and clarity in terms of process**

1.1. It is important that if Members are to become more involved in the pre-application process, there is a clear framework for such involvement, so that there is accountability and fairness built in. This is necessary for all parties involved in the process, be they professionals, Officers, Members or other interested parties. The conduct of all those involved must also adhere to appropriate guidelines in order that the later stages of the process are not prejudiced.

1.2. It is intended that any protocol that is adopted would be for use by all Members, regardless of which ward they represent or on which committees they sit. It is also recommended that if a protocol is adopted, the Development Control Manager and Head of Planning and Regeneration arrange for suitable training for Members and Officers to ensure that the process is clearly understood and to answer any Member queries.

1.3. Guidance for Members engaging in pre-application discussions is available in a number of sources, and the documents noted at section 5 are useful to refer to. In particular, reference could be made to 'Positive Engagement', which includes some handy hints and tips for Councillors.

#### **Member participation and conduct**

##### **Always have an Officer present**

1.4. In terms of Member involvement, guidance is required in terms of how they may participate in the process, and what they may make comments upon. It is generally acceptable that they be party to pre-application discussions, providing that they ensure that an appropriate Planning Officer accompanies them, and that notes of the meeting are retained on the correct file. It is advisable for the Case Officer involved to chair meetings and lead discussions, allowing all parties, including Members, to participate as appropriate to the discussion.

##### **Only make relevant, appropriate comments**

1.5. When attending such discussions, Members should be careful to comment only on procedural matters, and general principles of acceptable or unacceptable development types and styles. Members should be fully acquainted with the contents of the Development Plan, in order that comments relating to broad principles of development are in accordance with the aims and objectives of the plan. It is also helpful for Members to be aware of any specific local issues and/or concerns, in order that they can be fed into the process early on. These matters can then be taken into

consideration by developers when designing development schemes, as well as all relevant policy issues raised by Members and/or Officers.

Avoid pre-disposition

1.6. Members should be careful to avoid comments relating to specific elements of a proposal, or to pass opinions on such things, especially if they are or could be Members of the Planning Committee that may subsequently determine a planning application for the proposed development.

Declare any prejudicial interests and do not participate

1.7. Members should be careful to declare at the outset of such discussions any interests that they may have, be it in relation to their capacity as ward member, or as a neighbour, or for other reasons. These should be documented on the file for future reference. Members should also be aware and take care of their comments in relation to both predisposition and pre-determination so as not to prejudice their position for the future.

Treat all discussions as confidential

1.8. Members should also have regard to the fact that pre-application planning discussions are always confidential (in order to preserve commercial confidentiality) and that information relating to proposed developments does not reach the public arena until either a planning application is submitted or the developers choose to engage the community in a consultation exercise. Therefore such matters should not be discussed openly or in public, and Officers will always take care to ensure that such records are kept in appropriate secure conditions.

Seek support from Officers if required

1.9. If in any doubt at any time regarding planning matters, Members should always contact the Head of Planning & Regeneration or the Development Control Manager to seek further advice and assistance. It is always recommended that Members enquire first, in order that constituents, developers or other parties are not misled at any stage in relation to the adopted processes and procedures adhered to by this Council. Members should also be aware that failure to comply with adopted procedures could leave them open to scrutiny if it becomes apparent later.
