### **Consultee comments**

#### **Housing Strategy**

The Council would ordinarily expect 30-40% affordable housing on this site. Of which 2/3 would be social rent

1/3 Share Ownership or Low Cost Home Ownership, but I do recognise the Vacant Building Credit. There is a demand for affordable housing in the District.

**Other matters:**

The applicant has circulated a briefing pack to members of the Committee which summarises a number of matters in relation to the development proposed.

**21/01041/FUL Five Spice Restaurant, Stourbridge Road**

Since the publishing of the agenda, one representation has been received in support of the proposal.

The comments state that the proposal would boost the area's economy. This matter has already been considered within the published report.

Furthermore, the representation refers to the favourable online comments and reviews received by the restaurant. This is not a planning consideration.

**21/01248/FUL The Barn, Woodman Lane**

No highways objection to the proposed single storey side extension, the proposal does not affect the existing car parking - no highway implications
