1. RECOMMENDATIONS

The Overview and Scrutiny Board is asked to RESOLVE that:-

1) that the update on the mileage be noted

2. BACKGROUND

A paper regarding mileage was presented to the Overview & Scrutiny Board following a motion being put to Full Council. The excerpt from the minutes of the meeting held on 6th July 2021 indicate that it was agreed benchmarking data would be considered by officers and shared with the committee.

‘Councillor P. McDonald, who had submitted the original motion to Full Council, queried the decrease compared to other local authorities and whether the data provided had been bench-marked to other Councils. Officers reported that benchmarking had not been undertaken however, they agreed to carry out an exercise with other comparable, local authorities. Although Members were in agreement that this kind of benchmarking exercise be carried out some Members felt that caution should be exercised to ensure that appropriate Councils were used as a comparison’.
