Dear Sir

Application by Switch Music Group Ltd on the 12<sup>th</sup> & 13<sup>th</sup> August 2022 on land to the rear of Bibbey Farm, Bromsgrove Road, Hunnington Halesowen, B62 0JN

The reason for my objection to this application is based on the negative experience we suffered when a similar event was hosted at the farm [REDACTED] a few years ago, people arriving in cars outside our house dropping and collecting people attending this event. They appeared to be intoxicated by alcohol or drugs, urinating outside our house, this was happening while they were waiting for taxis. Littering discarded fast food wrappings and broken bottles.

The continued inconvenience with this going on over the two day period is totally unacceptable. We would have to maintain vigilance outside our house for the period concerned.

This is totally unacceptable application and should be rejected without question on the basis of Crime and Disorder, Public Nuisance and Public Safety

Yours Faithfully

Mr Peter Turner
