- 2.1 This report sets out the position in relation to key standards regime matters which are of relevance to the Audit, Standards and Governance Committee since the last update provided at the meeting of the Committee in April 2022.
- 2.2 It has been proposed that a report of this nature be presented to each meeting of the Committee to ensure that Members are kept updated with any relevant standards matters.
- 2.3 Any further updates arising after publication of this report, including any relevant standards issues raised by Parish Councils, will be reported verbally by Officers at the meeting.

Operational Implications

6.2 Member Complaints

Since the last meeting of the Committee, no new complaints have been received. The complaint that was reported at the last meeting of the Committee is still 'live' and being investigated and is therefore ongoing.

The New Normal

- 6.4 Since 7th May 2021, elected Members have needed to attend formal Committee meetings in person. These rules do not apply to informal meetings, such as Scrutiny Task Groups or Member training and consequently a lot of informal and private meetings continue to take place remotely.
- 6.5 The Constitution Review Working Group continues to meet regularly. Any recommendations arising from meetings of this group will be reported to Council for Members' consideration.
- 6.6 Member Development Steering Group met at the end of March 2022 where Members agreed that Cyber Security training should be delivered to Councillors during the 2022/23 municipal year. This training is due to take place later in the year.

Member Training

- 6.7 Since the last meeting of the Committee the following training has been arranged for Members:
- Carbon Literacy Training, which took place in June 2022. There will be further opportunities for Members to attend carbon literacy training in September 2022.
 - Member Safety Training, which is due to take place on 2nd August 2022.
 - Safeguarding Training, due to take place in August 2022.
