**NOTICE OF MOTION**

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor P. McDonald

"The Office for National Statistics recorded a six-fold increase in excess winter deaths last winter — 63,000 compared to 10,320 in winter 2020/21. Many of the excess deaths were attributed to cold related illnesses including pneumonia. This shows just how seriously the economic crisis is impacting on our oldest and most vulnerable and teachers spotting the signs that pupils haven't eaten.

Many fear a repeat of last winter's increase in the number of excess winter deaths, with many facing unprecedented threats to their health amid the cost-of-living crisis. With many parts of Bromsgrove slowly sinking into poverty.

That this Council calls on the Cabinet to set up a 'Doorstep Engagement Unit' as a pioneering response to this unfolding financial crisis and includes the finances to support this in the budget setting process."
