**NOTICE OF MOTION**

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor D. Hopkins:

**NOTICE OF MOTION**

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor D. Nicholl:

“Bromsgrove District Council notes with concern planned cuts in government support from 2027 to our local canals.

1. The Canal and River Trust is warning that a reduction in grant funding of over £300 million in real terms from 2027 will threaten the future of the nation’s historic canals, leading to their decline and to the eventual closure of some parts of the network.
2. This will almost halve the value of public funding for canals in real terms compared with recent years. This comes despite a Government Review, shared with the Canal & River Trust, confirming that its funding is ‘clear value for money’, with canals shown to deliver substantial benefits to the economy, to people and communities, and to nature and biodiversity.

BDC calls on the Leader to write to the Secretary of State for the Environment urging them to put in place a fairer funding settlement to help protect Bromsgrove’s many beautiful and historic canals.”

**NOTICE OF MOTION**

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor H. Jones:

“After hearing the devastating news, that two innocent, healthy puppies had been killed and dumped within our district, I call upon this council to commit to prioritise the promotion to support a publicity campaign to reminding dog owners and breeders of their responsibilities, in the hope we can stop anymore uncalled-for deaths of an animal. Within this campaign we also need to remind residents that they should only buy animals from a reputable source and the steps they should take to ensure the animals they buy are healthy and have been well cared for. The campaign should also emphasise the need for the public to report any situations they identify where people may be breeding dogs illegally, or in circumstances that put the health of animals in jeopardy. WRS has “dog related issues” as one of its key priorities and, whilst they do their best to proactively identify illegal breeders and sales, more help from the public would not go amiss.”

**NOTICE OF MOTION**

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor S. Evans:

This Council therefore resolves to support the campaign for greater connectivity from Bromsgrove Train Station, as campaigned for by organisations such as BARRUP, and calls on the Leader of the Council to write to CrossCountry Trains to request that their service, which currently runs between Nottingham and Cardiff, stops at Bromsgrove train station to improve connectivity between our area and popular destinations, putting Bromsgrove on the map and increasing tourism to our town whilst allowing residents to travel with ease.”
