3. OPERATIONAL ISSUES

- 3.1 The Governance Systems Task Group completed a review of the Council's governance model in September 2023. The findings detailed in the group's report were subsequently approved at an extraordinary meeting of Council held on 20th September 2023.
- 3.2 Since Council approved the group's recommendations, the Constitution Review Working Group has held a number of meetings to consider progress with the implementation of the actions that were proposed.
- 3.3 At a meeting of the Constitution Review Working Group held on 28th September 2023, Members agreed that meetings of the group should take place approximately once a month to enable Members to ensure that the amendments to the Council's constitution and working practices that are required, following on from the review, will be delivered in time for all such changes to be in place by the start of the 2024/25 municipal year.
- 3.4 At a subsequent meeting of the Constitution Review Working Group, held on 1st November 2023, Members considered initial draft terms of reference for the Cabinet Advisory Groups that had been proposed by the Governance Systems Task Group. Members also considered a draft Memorandum of Understanding for cross party working, which had similarly been proposed by the Task Group.
- 3.5 A number of amendments were requested by Members to these documents and it was agreed that a further meeting of the Constitution Review Working Group should take place to consider the updated versions of the Cabinet Advisory Group terms of reference and Memorandum of Understanding for cross party working. To ensure that this could take place in time for a written update on the subject to be reported to the Overview and Scrutiny Board meeting in November 2023, this additional meeting of the Constitution Review Working Group took place at midday on Wednesday 8th November 2023.
- 3.6 Based on the amendments that had already been made to both documents and which were subsequently suggested at the meeting of the Constitution Review Working Group held on 8th November, the group endorsed the attached terms of reference for Cabinet Advisory Groups and Memorandum of Understanding for cross party working.

- 3.7 In addition to this work, it is important to note that a comprehensive review of the Council's constitution is currently being undertaken on behalf of the Council. Findings arising from the Governance Systems Task Group will be taken into account as part of this process, whilst the review also aims to simplify and reduce the current length of the constitution. Any proposed changes to the constitution arising from this process will ultimately need to be determined by Council.
