1. RECOMMENDATIONS

The Council is asked to RESOLVE

1.1 whether or not to accept all, some or none of the recommendations of the Independent Remuneration Panel for 2024-25;

1.2 having considered the Panel’s report and recommendations, whether or not changes are required to the Council’s scheme of allowances for Members arising from this.

2. BACKGROUND

2.1 Each Council is required by law to have an Independent Remuneration Panel (IRP) which recommends the level of allowances for Councillors. The Panel is made up of suitably skilled members of the public who are completely independent of the District Council. It also makes recommendations to four other District Councils in Worcestershire. The Panel’s report is enclosed for consideration by Council.

2.2 The panel recommends basic allowances, special responsibility allowances (SRA), travel, subsistence and dependent carer allowances.

3. FINANCIAL IMPLICATIONS

- 3.1 The IRP recommends a basic allowance of £5,518 which is an 8.6% increase from its recommendation from last year. However, since Council did not accept last years' Panel Recommendation acceptance of the basic allowance, if approved, it would mean a percentage increase of 16.6% (£786 per councillor on the basic allowance).
- 3.2 If the Council makes changes to the current amounts of allowances there will be additional budgetary costs. If the Council implements all the recommendations of the IRP budgetary costs across the year would be increased in the region of £33,000; if the current multipliers are used but the proposed basic allowance is accepted the increase will be approximately £29,800. This does not include Chairmen of overview and scrutiny task groups as they are paid pro rata for the length of the task group.
- 3.2 The upcoming budget will need to reflect any changes made from the recommendations in this report and the future costs will need to be covered in the medium term financial plan.

4. LEGAL IMPLICATIONS

- 4.1 The Council is required to "have regard" to the recommendations of the Panel. However, it is not obliged to agree to them. It can choose to implement them in full or in part, or not to accept them.
- 4.2 If the Council decides to review its scheme of allowances for Councillors, it is also required to take into account recommendations from the Panel before doing so.

5. STRATEGIC PURPOSES - IMPLICATIONS

Relevant Strategic Purpose

- 5.1 None as this report deals with statutory functions.

Climate Change Implications

- 5.2 None in this report.

6. OTHER IMPLICATIONS

Equalities and Diversity Implications

6.1 None in this report.

Operational Implications

6.2 There are no direct service or operational implications arising from this report. Once the Council has agreed the allowances for 2024-25 Officers will update and publish the Members' Allowances Scheme as appropriate.

7. RISK MANAGEMENT

7.1 Payments to Councillors can be a high profile issue. The main risks are reputational. However, the Council is transparent about the decisions made on allowances. The Allowances scheme and sums paid to Councillors each year are published on the Council's website.
