1. SUMMARY OF PROPOSALS

- 1.1 The Council’s current Statement of Principles under the Gambling Act 2005 took effect on 31st January 2022. In accordance with the provisions of the Act, the Council is required to prepare and publish a Statement of Principles every three years. Therefore, a new Statement of Principles must be published by 31st January 2025.
- 1.2 On 25th March 2024, the Licensing Committee approved a draft revised Statement of Principles for consultation purposes. The results of the consultation are now being reported back to the Committee who are asked to recommend to Council that the draft revised Statement of Principles be approved and published.

2. RECOMMENDATIONS

2.1 Members are asked to RESOLVE;

To recommend to Council that the draft Statement of Principles at Appendix 1 be approved and published with effect from 31st January 2025.

3. KEY ISSUES

Financial Implications

- 3.1 The costs involved in carrying out the consultation were met from existing budgets held by Worcestershire Regulatory Services.

Legal Implications

- 3.2 Section 349 of the Gambling Act 2005 requires that the licensing authority produce, consult on and publish a Statement of the Principles that it proposes to apply when exercising its functions under the Act.
- 3.3 The Act also requires that the Statement of Principles should be kept under review and must be re-published at least every three years.
- 3.4 When preparing a Statement of Principles, the Council is required to consult with:-
- the Chief Officer of Police for the Authority's area;
 - one or more persons who appear to the Authority to represent the interests of persons carrying on gambling businesses in the Authority's area; and
 - one or more persons who appear to the Authority to represent the interests of persons who are likely to be affected by the exercise of the Authority's functions under this Act.

Service / Operational Implications

- 3.5 Bromsgrove District Council is a licensing authority in accordance with the provision of the Gambling Act 2005.
- 3.6 Each licensing authority is required before each successive three-year period, to prepare and publish a statement of the principles that they propose to apply in exercising their functions under the Act during that period. This document is commonly referred to as the authority's Statement of Principles.
- 3.7 The Council's current Statement of Principles took effect on 31st January 2022 and therefore a new Statement of Principles must now be prepared and published ready to take effect on 31st January 2025.
- 3.8 Since the current Statement of Principles took effect, there have been no significant amendments to the provisions of the Gambling Act 2005. Nor have there been any major changes made to the Gambling Commission's Licence Conditions and Codes of Practice (LCCP) that licensed operators have to comply with or the Gambling Commission's statutory Guidance to Licensing Authorities (GLA).

- 3.9 However, in April 2023 the government did publish a long-awaited white paper entitled “High Stakes: Gambling Reform for the Digital Age.” The White Paper sets out the government’s plan for reform of gambling regulation, following the review of the Gambling Act 2005 that was first launched in December 2020.
- 3.10 The white paper contained a number of proposals for reforming gambling regulation in the following areas:
- Online protections – players and products
 - Marketing and advertising
 - The Gambling Commission’s powers and resources
 - Dispute resolution and consumer redress
 - Children and young adults
 - Land-based gambling
- 3.11 Whilst many of the proposed reforms are not directly relevant to the role that the Council plays in the regulation of gambling activities, there are some proposed changes that are directly relevant. These include:
- Proposals to relax the rules on the split of low and medium maximum stake machines in certain licensed gambling premises.
 - A review of the premises licence fees cap for local authorities.
 - Introducing new powers to local authorities to conduct cumulative impact assessments for gambling premises.
 - Proposals to change the rules that allow under 18s to play Category D gaming machines that pay cash prizes.
 - Proposals to make provisions within the Gambling Commission’s code of practise on the siting of gaming machines in licensed premises legally binding.
- 3.12 Following the publication of the white paper, several different consultations have been undertaken by both the Department for Culture, Media and Sport and the Gambling Commission concerning the various proposals for legislative reform.
- 3.13 At this stage however, it is unclear when the government will bring forwards the required legislation to implement the proposed reforms.
- 3.14 This presents something of a dilemma for licensing authorities such as Bromsgrove District Council, as they are required before each successive three-year period, to prepare and publish a statement of the principles that they propose to apply in exercising their functions under the Act during that period. The Council’s next statement of principles needs to be prepared and published before 31st January 2025.

- 3.15 As the timescales for legislation to be brought forward are unclear at this stage, officers recommended that no substantive changes are made to the statement of principles at the present time and therefore very few changes were proposed in the draft statement of principles that the Licensing Committee approved for the purpose of consultation on 25th March 2024.
- 3.16 The only changes that officers believed needed to be made at the present time are as follows:
- Updating the dates shown on the front page.
 - Updating the population figure given in the introduction to reflect the latest census figures.
 - Updating the dates between which consultation on the draft statement of principles will have taken place.
 - Updating the list of consultees at Appendix B of the statement of principles to include additional gambling and other relevant trade associations.
- 3.17 Consultation on the draft Statement of Principles was undertaken with all relevant parties including:
- The Chief Officer of West Mercia Police
 - The Gambling Commission
 - All other responsible authorities identified under the Act
 - Relevant Trade Associations
 - Public Health
 - Organisations working with people who are problem gamblers
 - Parish Councils
 - The general public
- 3.18 The consultation was also made available for comment via the Council's website and publicised via social media. The consultation exercise was undertaken between 5th July 2024 and 16th August 2024.
- 3.19 The Operations Manager of the Lotteries Council responded to the consultation to say that they had reviewed the draft Statement of Principles and had no comment to make.
- 3.20 A Bromsgrove District Councillor also responded to the consultation exercise and confirmed that they had no comments to make.
- 3.21 No other responses were received during the consultation exercise, which officers consider is unsurprising given the minimal changes that are proposed to the existing Statement of Principles.

- 3.22 In light of the lack of responses, officers do not believe that any further amendments need to be made to the draft Statement of Principles that was consulted upon.
- 3.23 The Licensing Committee is therefore now asked to resolve to recommend to Council that the draft Statement of Principles at **Appendix 1** be approved and published with effect from 31st January 2025.

4. RISK MANAGEMENT

- 4.1 Failing to prepare and publish a new Statement of Principles by 31st January 2025 would leave the Council in a position where it was failing to comply with its duties as a licensing authority under the provisions of the Gambling Act 2005.
