BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

2. BACKGROUND

2.1 From a Governance point of view, the financial framework under which the Council works is set out in the Constitution. In addition to this there are legislative reporting requirements which set out what needs to be done and by when. The Accounting Policies report which was tabled at the Audit, Standards and Governance Committee on the 1st June set out the Financial Governance Framework, and associated references to key documentation, that the Council, it's Member and Officers work to. These are (in summary):

- **The Budget and Policy Framework Procedure Rules.** These set out: The framework for Cabinet Decisions, Decisions outside the budget or policy framework, Urgent Decisions outside of the Budget or Policy Framework, Virement rules, In-year changes to policy framework and, Call-in of decisions outside the budget or policy framework. These rules set out how decisions can be made, by whom and how they can be challenged.
- **Financial Procedure Rules** which are set out in Part 15 of the Constitution. These “operational policies” run to 36 pages and set out how the organisation financially runs it's “day to day” business.
- **Finance Protocols** which set out requirements and expectations of the Finance Team and Services in terms of financial administration and demarcation of duties.

2.2 One of the legislative reporting requirements the Council has not achieved is the delivery of the 2020/21 Statement of Accounts. As such, the Council was issued with a Section 24 Statement. Redditch Borough Council (RBC) were also issued with a Section 24 Statement for the same non delivery of the 2020/21 accounts which is understandable given that officers support both Councils via a shared service.

2.3 Draft 2020/21, 2021/22 have been presented and placed on the Councils Website and the 30 days public consultation period fulfilled. The draft 2022/23 accounts were published on the Councils website for public consultation on the 22 November 2024. They will only have 14 days, not the full 30 days., of public consultation before the Government Imposed Backstop date of the 13th December 2024.

2.4 The 2023/4 Accounts need to be delivered and have 30 days public consultation by the 28th February 2025. This report sets out the process to be followed.

2.5 The 2024/5 budget was approved at Council on the 21st February 2024.

Legislative Requirements

2.6 The previous section sets out how the Council works, however equally important are the Central Government Legislative Requirements to which we deliver to and are compared to other Councils across the Council. This section lists those key deliverables.

Update on the Statement of Accounts

2.9 Following the General Election in July 2024, the New Minister of State for Housing, Communities and Local Government Jim McMahon OBE MP wrote to Councils noting the significant and unacceptable backlog of unaudited accounts. This situation undermines trust and transparency in the way taxpayers' money is being spent and auditors cannot focus on up-to-date accounts, where assurance is most valuable.

2.10 To tackle the backlog, The Minister has laid secondary legislation and this legislation was approved on the 9th September to provide for an initial backstop date of 13 December 2024 for financial years (FYs) up to and including 2022/23 and five subsequent backstop dates: 2015/16 through to 2019/20 must be signed off by the 30th December 2023.

Financial Year	Backstop date
2023/24	28 February 2025
2024/25	27 February 2026
2025/26	31 January 2027
2026/27	30 November 2027
2027/28	30 November 2028

2.11 As set out in the September 2024 report, the Minister expects that there will be full assurance, with "clean" opinions for many bodies by the first backstop date of 13 December 2024. However, due to the time constraints, auditors are likely to issue 'disclaimed' audit opinions (no assurance) on many accounts – early indications are that this could be several hundred in this first phase which may, in the short term, cause additional concern. I recognise that aspects of these proposals are uncomfortable. Without this action by the Government, audits would continue to be delayed and the system will move even further away from timely assurance.

2.12 Our present External Auditors, Grant Thornton, as set out in the September meeting of this Committee consider that there will not be sufficient time to conclude our work in advance of the 13 December 2024 backstop deadline. On that basis, their expectation is that they

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

will apply the backstop for the 2020/21, 2021/22 and 2022/23 years. Given that a number of key audit areas remain outstanding, then their proposed audit reports will be issued as a disclaimer of opinion. Effectively this means that they will have been unable to gain the assurance necessary to give an audit opinion by the statutory backstop date.

- 2.13 In plain terms, a disclaimer means that the Auditors have been unable to form an opinion. In this instance, the reason for this will be the limitation of scope imposed by statute (not by the local authority). A disclaimer due to the backstop does not of itself indicate a local authority failing. Where however they consider that there have been weaknesses in local authority arrangements for accounts closedown, they will report these in the Audit Findings Report which we produce at the conclusion of the audit. Should they have identified any issues during the audit which ordinarily would have impacted our opinion, they will give consideration to how these should be reported in the disclaimer of opinion.
- 2.14 Before the Grant Thornton issue a disclaimer of opinion, they will:
- Report any matters arising from the audit which we need to share with you under the auditing standards; and
 - Share the wording of the draft disclaimer of opinion with the Council.
- 2.15 To help Grant Thornton to meet the backstop requirements, the Council need to have :
- Completed a letter of representation in respect of the financial statements before Grant Thornton can issue a disclaimer;
 - Confirm the Council has adopted the financial statements in accordance with the requirements of the CIPFA Code and the Accounts and Audit Regulations;
 - Confirm the Council has met the requirements under legislation in terms of the rights of local electors to inspect the accounts ; and
 - Confirm the Council has set aside a date for an Audit Committee in advance of 13 December 2024. This is that meeting.
- 2.16 The council's position on these key Closure deliverables are as follows:
- Closure 2020/21
 - Draft accounts placed on Council website for Public Consultation in 4th June 2024.
 - The Letter of Representation has been completed (**Appendix C**).
 - The 30 days Public Consultation period has been complied with.
 - The External Auditors audit process set out in para 2.12 above be noted, as this is substantially different from other financial years.
 - That, in another report on this evening's agenda, the Council has received the "Report on the audit of the financial statements 2020/21" and a wider letter "Bromsgrove District Council: Conclusion of the audit for 2020/21, 2021/22 and 2022/23 – letter to those charged with governance on the application of the local authority backstop from the External Auditors.

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

- That following the receipt of those letters that this Committee formally approve the 2020/21 Accounts.
- Closure 2021/22
 - Draft accounts placed on Council website for Public Consultation on the 10th October 2024.
 - The Letter of Representation has been completed (**Appendix C**).
 - The 30 days Public Consultation period has been complied with.
 - The External Auditors audit process set out in para 2.12 above be noted, as this is substantially different from other financial years.
 - That, in another report on this evening's agenda, the Council has received the "Report on the audit of the financial statements 2020/21" and a wider letter "Bromsgrove District Council: Conclusion of the audit for 2020/21, 2021/22 and 2022/23 – letter to those charged with governance on the application of the local authority backstop from the External Auditors.
 - That following the receipt of those letters that this Committee formally approve the 2021/22 Accounts
- Closure 2022/23
 - Draft accounts placed on Council website so Public Consultation starts on the 18th November 2024.
 - The Letter of Representation has been completed (**Appendix C**).
 - The 30 days Public Consultation period only started on the 22nd November and so will not be completed until Friday the 3rd January. This is outside the backstop date.
 - The External Auditors audit process set out in para 2.12 above be noted, as this is substantially different from other financial years.
 - That, in another report on this evening's agenda, the Council has received the "Report on the audit of the financial statements 2022/23" and a wider letter "Bromsgrove District Council: Conclusion of the audit for 2020/21, 2021/22 and 2022/23 – letter to those charged with governance on the application of the local authority backstop from the External Auditors.
 - That following the receipt of those letters that this Committee delegate authority to the chair of the Committee formally approve the 2020/21 Accounts following the completion of the public consultation period on the 3rd January.

Updated Accounts are set out in **Appendix D**.

2.17 As per the requirement of the Draft External Auditors Report 21/22 and 22/23 on the 27th November 2023, the External Auditors made a further written recommendation of the Authority under section 24 of the Local Audit and Accountability Act 2014 in relation to its financial systems and governance arrangements. They recommended that the authority should produce "true and fair" draft accounts for 2020/21, 2021/22 and 2022/23 signed off by the S151 Officer and supported by high quality working papers. This has now been complied with although given the instigation by the Government of the backstop date and the requirement of "disclaimer opinion" audits across the Country it is not clear how the new Auditors will frame their 2023/4 External Audit Report in respect of this matter.

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

- Performance Indicators are being reviewed and updated following the Strategic Priority setting sessions.
- 2.20 On the 3rd October 2024, the Councils appointed Auditors for 2023/4 onwards Bishop Fleming notified the Council that they were resigning. Their Resignation letter is attached as **Appendix E**. The Council, following liaison with Public Sector Audit Appointments limited for the appointment of alternative Auditors. It was confirmed by the PSAA that Ernst and Young would become the Councils External Auditors on the 24th October, this is shown as **Appendix F**, and that the onboarding process is now starting.
- 2.21 Ernst and Young note that the challenging part of the onboarding process, and where they have had difficulties elsewhere, will be the need to obtain returns from all elected members. The typical time taken to obtain responses from all members elsewhere has ranged from 6-12 months, which we will need to significantly shorten in order to meet the backstop date, and they will appreciate our assistance on this. What has worked elsewhere in shortening these timescales is making completion a step at a physical council meeting when most members would be present. The Officer and Member Onboarding questionnaire is in **Appendix G**. An initial meeting has been set up for the 26th November to have an introductory call.
- 2.22 In terms of the 2023/4 Closure position, discussions are still to be held with Ernst and Young on the actual programme, pending onboarding, but all parties are aware of the backstop date of the 28th February 2025 by what public consultation will have to have been completed.

Closure 2023/24 high level deliverables:

- Draft provisional Outturn Report presented to Cabinet in July 2024.
- RO/CO Returns have been provided to Government.
- Draft Accounts planned to be available for public consultation in early January in order to comply with Backstop requirements.

Update On 2024/25 Budget

- 2.23 The Councils 2024/25 Budget was approved on the 21st February 2024 at Council. Budgets will be loaded onto TechOne in March.
- 2.22 Quarter One 2024/5 Financial and Performance monitoring went to Cabinet in September 2024. Quarter 2 2024/5 Financial and Performance monitoring went to Cabinet in December 2024.

Compliance Items

- 2.23 In their meeting in January 2024, Members requested further training to ensure they were informed in their decision making in this committee. Two sessions have been held in May and July.

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

2.24 There are a number of areas where compliance will be measured going forwards. Compliance to process and timetable is a key underlying theme of the Draft External Audit Report 2020/21 and the Combined 2021/22 & 2022/23. These items are being measured to improve how we work and change behaviours. This will lead to an improved financial health/knowledge across both Councils. Not all these measures can be put in place instantly but there should be the full suite by the middle of the summer (Debt indicators depend on the clearing of suspense and the updating of the bank reconciliations).

Training:

- Closure Training took place in March with 83 attending.
- Mandatory Budget Manager Training (including the use of TechOne) took place in September 2023 – upskilling budget managers with the tools to input their forecasts directly onto TechOne.
- Mandatory Financial Awareness Training for managers took place in August and September.
- Payments Purchase Order Training takes place monthly.

New tranches of training are being organised

Treasury Management

- The 2023/4 Outturn Report was approved by Cabinet in September (Council in October).
- The 2024/5 Strategies were approved by Council in February.
- The Q1 and Q2 2024/5 positions have been reported in the Finance and Performance Reports.

Errors:

- Non delivery of GPC Card Data (monthly basis) – still to be started.
- Miscoding on TechOne per month – by Service Area - will begin once the cash receipting suspense has been cleared.

Procurement:

- The new 'No Compliance No Order' process has been live since April 2023.
- The number of contracts in place is growing regularly and we are confident that this process is having a positive effect. We hope that eventually we get to the place where the number of orders coming to procurement for approval as contracts are not in place are minimal.
- Council in February approved an increase of the Key Decision Level from £50k to £200k. The Finance and Performance Monitoring Reports now set out:
 - All contracts requiring renewal over the next year that are over the present £200k threshold and these are placed on the forward plan.
 - All contracts requiring renewal over the next year that are between £50k and £200k for reference.

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

- All contracts that are being procured by Redditch over this period that relate to Bromsgrove Services.
- 2.25 The issues with cash receipting Work is ongoing but the closure of 2020/21 through to 2023/4 has reallocated over £125m of income wrongly allocated to suspense accounts.

Summary

- 2.26 This report sets out the policies (local and national) that underpins the Council finances and the key deliverables. The 2020/21 to 2022/23 draft Accounts have now been submitted for Public Inspection and Audit and the report sets out the Plan for the delivery of other years accounts. This report is now up to date as at the end of November 2024 and delivered to each Audit, Standards and Governance Committee at Bromsgrove to updates it on progress against targets and also alert them to any issues and risks.

Appendix B – HMRC Update

Good Afternoon Debra,

Thank you for your response and for updating the email protocol permissions for both Bromsgrove District Council and Redditch Borough Council.

I would like to apologise to both councils, for the delay in receiving a response from HMRC to the email sent on their behalf by their agents PsTax on 03 September 2024. That email has since been passed to myself to focus on the VAT position in regard to Redditch Borough Council, whilst my colleague, Neil Cameron, has been assigned the same in regard to Bromsgrove District Council. Given the delay in HMRC responding to the 03 September email, the extension request for the Error Correction Notices until the end of December is granted. Once the ECNs have been received, Neil and I will need to conduct reviews of these and we will likely request information relating to sample periods to confirm that correct VAT treatment has been applied.

Could both councils ensure that all ECNs to correct their VAT returns are submitted to HMRC, on or before 31 December 2024. Please be aware that the 4-year capping limit will begin to come into effect for the oldest periods, beginning in April 2025, so we are keen to avoid any further delays resolving these issues.

If you do have any further questions or concerns regarding this enquiry, please don't hesitate to contact either myself or Neil.

Kind Regards,

Bruce

Dear Grant Thornton UK LLP

Bromsgrove District Council Financial Statements for the year ended 31 March 2021

This representation letter is provided in connection with the audit of the financial statements of Bromsgrove District Council and its subsidiary undertaking, The Bromsgrove Arts Development Trust, for the year ended 31 March 2021.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the group and Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the group and Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the group and Council financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of land and buildings and the valuation of the defined benefit net liability. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.

- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the group and Council financial statements:
 - a. there are no unrecorded liabilities, actual or contingent;
 - b. none of the assets of the group and Council has been assigned, pledged or mortgaged; and
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x. The Council's financial statements are free from material misstatements, misclassifications and disclosure changes and misstatements, including omissions.
- xi. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii. We have updated our going concern assessment. We continue to believe that the group and Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
 - a. the nature of the group and Council means that, notwithstanding any intention to cease the group and Council operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements;
 - b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and
 - c. the group and Council's system of internal control has not identified any events or conditions relevant to going concern. We believe that no further disclosures relating to the group and Council's ability to continue as a going concern need to be made in the financial statements

BROMSGROVE DISTRICT COUNCIL

Audit, Standards and Performance Committee 5th December 2024

- xiv. The group and Council has complied with all aspects of ring-fenced grants that could have a material effect on the group and Council's financial statements in the event of non-compliance.

Information Provided

- xv. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xvi. We have disclosed to you the identity of the group and Council's related parties and all the related party relationships and transactions of which we are aware.
- xvii. On 30 September 2024 parliament approved the Accounts and Audit (Amendment) Regulations 2024. These Regulations set a publication date for financial statements in respect of the final 202/21 financial statements of 13 December 2024.  - d. disclosing to you all information in relation to fraud or suspected fraud that we are aware of and that affects the group and Council, and involves:
 - i. management;
 - ii. employees who have significant roles in internal control; or

Dear Pete

BROMSGROVE DISTRICT COUNCIL - RESIGNATION

Thank you for the discussion on 26th September 2024

As you will be aware Bishop Fleming LLP was appointed as your external auditor by PSAA on 21 November 2022 for a period of five years. When Bishop Fleming accepted the appointment, whilst there were already delays in local government audit delivery, we were assured that there would be system wide interventions by various supporting bodies to ensure audits got back on track. This has not happened.

Bromsgrove District Council has unaudited accounts for the last three years (2020/21, 2021/22 and 2022/23) (excluding 2023/24 for which we were appointed to audit) and we understand that the incumbent auditor will issue disclaimed opinions for each of these years.

The Council's audit is considered higher risk given the lack of detailed guidance to date on dealing with disclaimed opinions nationally and is above the risk profile of the engagements the Firm can accept. Therefore after much discussion within the Firm and with PSAA, we have decided that we will be unable to continue with any audits with several years of disclaimed opinions and therefore we have no option but to resign from the audit of Bromsgrove District Council.

I appreciate this will be very disappointing for the Council.

We understand that PSAA will be in touch with you shortly to discuss next steps.

Yours sincerely

Dear Mr Carpenter

Appointment as external auditor from 2023/24

I am writing to confirm that Public Sector Audit Appointments Ltd ("PSAA") has appointed EY as external auditor to Redditch Borough Council and Bromsgrove District Council from the year ended 31 March 2024. During 2022, in submitting our bid to PSAA to remain a supplier of local public audit, we sought to demonstrate our track record and continued commitment to providing high quality audit in this extremely important sector. We share PSAA and other stakeholders' concerns to ensure that the audit market provides high quality assurance and remains sustainable into and beyond the period of this next contract. Therefore, we are delighted to have been appointed to be your external auditors. We are aware that this appointment has come very late in the process and this will impact our approach for 2023/24, but we will ensure that you are fully briefed on this as we go through the transition period

We will now begin to plan the transition arrangements for your audit. In the first instance, our Operations Senior Manager, Mark Rutter, will act as your first point of contact, so please do not hesitate to contact him or me if you have any questions. Mark will be overseeing our initial audit engagement acceptance procedures and will be in touch shortly with an explanation of the processes we need to complete, including, the data we will require from you, liaison with your outgoing auditor and the timeframes involved, which will allow transition of the audit to EY.

We look forward to working with you in this role.

Yours sincerely

Stephen Reid Partner,
Head of Public Sector Audit
for and on behalf of Ernst & Young LLP United Kingdom
