

NOTICE OF MOTION

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor S. Robinson

“Over a considerable period of time, work has been carried out by officers and members which aims to improve play areas and investment for parks in our local communities across the District. It is of the utmost importance that all improvements can and will be carried out to improve these spaces whilst the District Council remains, prior to any restructuring.

Council resolves to ask the Cabinet to report by November 2025 on how the play audit recommendations will be delivered in full, ahead of reorganisation of councils, to include the District and any Parish Councils.”
