- <sup>1</sup> - The statistics detailed cover the period since the introduction of local assessment in May 2008 to 22 January 2010 (the date of preparation of this report).
- <sup>2</sup> - In 1 case the Monitoring Officer's discretion under Regulation 16(1)(a)(ii) of the Standards Committee (England) Regulations 2008 was used to refer the matter back to the Assessment Sub-Committee for reconsideration (which has been counted as 1 complaint for statistical purposes).
- <sup>3</sup> - A total of 15 requests for review of complaints for which the Assessment Sub-Committee decided to take no further action have been considered by the Review Sub-Committee. In 2 cases a decision was reached to refer the complaints to the Monitoring Officer for other action and in the remaining 13 cases it was decided that there be no further action.
- <sup>4</sup> - Other action has been completed by one Subject Member and is due to be undertaken by the Monitoring Officer for 2 related parish matters.
- <sup>5</sup> - The final determination of 1 of the complaints referred for local investigation will take place at the meeting of the Standards Committee on 3 February 2010.
- <sup>6</sup> - All 5 cases referred to Standards for England were accepted for investigation. It was the Ethical Standards Officer's finding in each case that there had been no failure on the part of the Subject Member to follow the Code of Conduct.
