Appendix 1

Results of the consultation on the Draft Recommendation

All directly affected electors within the area to be moved out of Finstall Parish were written to directly and other interested parties were contacted. Details of the consultation were also published on the relevant page of the Council's website.

Three replies were received all from directly affected electors.

All three confirmed that the area they live in should move out of the parish.

Respondents were given the opportunity to provide additional comments; however, no further observations or representations were submitted.
