1. SUMMARY OF PROPOSALS

- 1.1 This report asks the Council to consider increasing the number of members of the Standards Committee by including an additional elected Member.

2. RECOMMENDATIONS

- 2.1 That the membership of the Standards Committee be increased from 8 to 9, the additional member being an elected Member; the Committee therefore to comprise:

- 4 elected Members, being 2 Members of the controlling political group and 2 Members who are not members of the controlling political group;
- 3 Independent Members;
- 2 Parish Representatives

3. BACKGROUND

- 3.1 The current composition of the Standards Committee includes 3 elected Members, being 2 from the controlling political group and 1 who is not a member of the controlling political group. In the past, the Leader of the Opposition or his/her nominee has filled the seat allocated to the opposition groups.
- 3.2 The Standards Committee has 4 sub-committees, Assessment Sub-Committees A and B and Review Sub-Committees A and B, and it is a statutory requirement that an elected Member must sit at each and every sub-committee meeting.

4. KEY ISSUES

- 4.1 In the interests of fairness and the efficient working of the Committee and Sub-Committees it is proposed that it would be beneficial to increase the number of elected Members of the Committee.

- 4.2 Council is therefore being requested to increase the number of elected Members on the Standards Committee to 4, to include 2 members who are not of the controlling political group.
