Subject: RE: Lickey End Parish Council Review

Hi,

I wanted to put forward my views for the consultation about the Lickey End Parish Review.

Having been aware of the issues and history of the parish I agree that this parish needs to be abolished. I have not had any of the residents of Lickey End say to me that they would like a parish council. I feel this process needs to now happen as quickly as possible.

Thanks for your work on this review. Best Wishes.

Cllr Maddy Bunker
