#### **1. SUMMARY OF PROPOSALS**

- 1.1 The following report and appendix 1 highlight the key points emerging from a spatial planning peer review undertaken by the Improvement and Development Agency for Local Government (IDeA) and the Planning Advisory Service (PAS). Appendix 2 is the peer review action plan developed to address the recommendations of the external review team.

#### **2. RECOMMENDATIONS**

- 2.1 That Members note the spatial planning peer review report (Appendix 1), and endorse the peer review action plan (Appendix 2).

The format of the review was designed to help the planning service assess its current achievements, and its capacity to change and continue to improve. The review team were onsite for two days during which they spoke to a wide variety of officers, members, service users, and other partners and stakeholders in the planning process in order to gauge the necessary information to deliver their report.
- 3.2 A report was prepared by the review team (see appendix 1) which outlines 18 key recommendations organised into the following areas,
- Achieving outcomes,
  - Integration and collaboration,
  - Leading and engaging the community,
  - Management,
  - Innovation,
  - Learning and excellence and,
  - Shared knowledge and evidence.

---

- 4.1 The action plan (see appendix 2) identifies both the recommendations from the review team, and also the proposed actions developed by planning services to address these issues.
- 4.2 Some of the actions such as lifting the housing moratorium, and engaging with Birmingham City Council at director level, have already been implemented. Some of the other recommendations focus on the delivery of development targets associated with the Regional Spatial Strategy (RSS). This part of the development plan, however, has now been revoked meaning that these recommendations may need to be reassessed in the light of the new planning regime which focuses on bottom-up local planning, rather than top-down regional planning.
- 4.3 Whilst most of the recommendations are to be implemented by officers, in a number of key areas, members' involvement in the way the planning service operates is the subject of the review team's recommendations. Officers will work with members on delivering these actions.
