Dear Sirs

Street Trading Consent  
 Broad Lane Bromsgrove X

I have been aware for a considerable time of the parking of HGV's on the slip road off the A435<sup>for</sup> Ven. sources (not to mention car boot sales at an adjoining field) and refuse.

This has been recognised since a layby off A435 between Tanworth and Otterhall Knows from St. Ann's was barred.

The parked vehicles are a hazard and furthermore I have often seen private autos entering this slip road from the other direction off Broad Lane. admit planning error has left a speed de-restriction

notice to remain with of course no exit at the  
other end.

Yours truly
