

I [REDACTED] director of [REDACTED] often use ants sandwich bar and find it very friendly, clean and most of all safe. I would be very upset if ants sandwich bar was not there after all these years it's become part of Bromsgrove , the old saying is , "where we meeting lets have a sandwich at ants and go from there." Also the staff are friendly and professional not like other places I have been. So being a regular user of ant's sandwich bar I would like you to issue ant with a license please.

Yours Thankfully.

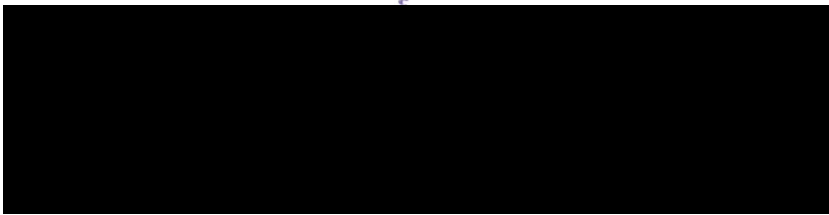

To whom it may concern,

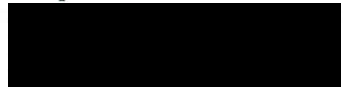

As a resident of Bromsgrove, I regularly use 'Ant's snack van' on the way to my business based in Hereford. I also meet several friends there before going to play a round of golf at Bromsgrove Golf Club. They provide an excellent, friendly service, good quality food and are very clean and hygienic. Myself and countless friends have been going there for at least twelve years and would be very grateful if you granted Mr. Woolley of 'Ant's snacks' a licence.

Yours sincerely,

This merely serves to advise you that I have been a regular user of this facility for some twelve years and understand for a number of reasons that the continued user may be in jeopardy. Dear Sir/Madam

It has come to my attention that Mr Woolley from Ants Snacks has recently applied for his licence to continue trading on the golf club island. I write to you to ask if you would please grant this licence for Mr Woolley to continue trading as over the last five years he has been a continuous contributor to [REDACTED] for which we as [REDACTED] of [REDACTED] very much value his help and support.

Yours truly,

To whom it my concern.

My husband and I have been purchasing food from Ants Snacks (situated nr Bromsgrove Golf Course) for a few years now. As local residents it is great to see a business run so well. All the staff are very friendly and polite and the van is kept spotlessly clean and tidy as is the area outside around the van.

We often see many locals visiting the van on a regular basis too. Maybe some permanently situated eating establishments could take a lesson of service and cleanliness from Ants Snacks. It would therefore be extremely disappointing if Ants Snacks was not granted the licence they so clearly deserve to continue to operate.

Yours faithfully

To whom it may concern,

As a frequent visitor to Bromsgrove, in my job as a stationery delivery driver I was alarmed to hear about the possible closure of the layby at Slideslow island. The layby is an ideal to place to rest and re-cuperate during the working day, and also keeps the traffic congestion in Bromsgrove to a minimum.

I would ask you to imagine the situation where the layby is no longer available causing van drivers like myself, as well as heavy duty vehicles to "park up" in the town causing problems for other commuters.

I would also ask you to keep in mind the livelihood of the employees of Ant's snack bar who rely on the layby being used as a resting place as their source of revenue.

I hope after considering all the options available common sense will prevail.
